

Donated publications – October 2016

During the past year we received many donations.

First we want to mention a special contribution:

Through our Circle of Friends in Holland, The **Foundation Morasha** we received a large sum of money to be spent on the purchase of some expensive books. The donor wants to remain anonymous and we are very grateful to him.

Also this year we received donations from relatives of deceased family members. We specially want to mention:

Through our Board member, **Mrs. Chawa Dinner** we received some publications from the late **Mr. Alexander Dasberg**, donated by his family.

Through **Marcelle Zion**, of the organization **ELAH** we received some books from the collection of **Frances Marcus Z”L**

Through Dr. Eldad Kish, member of our Board, who often assists friends by the sorting of publications from the estates of deceased relatives, never forgets our Center and donated on behalf of his family books from the collection of **Mr. Duki Gelber Z”L**

Lea Menashe, daughter of **Mr Max Duitser Z”L** donated books of her father’s collection

In addition we would like to mention the following donors:

Mr Pinchas Bar Efrat gave us a copy of his recently published book: “Denouncing and rescue”. Another copy we received from **Ayala Peretz of the Publications Centre of yad Vashem**

Yad Vashem provided us with two other recently published books and a third one to be published by the end of the year has been promised

Mrs. Corien Glaudemans, researcher at the Municipal Archives of The Hague, is presently researching the history of the Jews in The Hague and she sends us publications from time to time and keeps us informed about current research on this topic.

Rabbi Eliyahu Philipson, who sends us publications from time to time, with publications of his late father, Rabbi Philipson from Haarlem

Mr. Moshe Nordheim, who moved to a sheltered accommodation apartment sent us various items from his collection.

Mrs. Petra van der Zande, of the Publishing house **Tsur Tsina Publications** in Jerusalem sends us new publications on a regular basis

Mrs. Sosha Eisenmann gave us a copy of the biography of her late father, written by the historian, Bart **Wallet**.

Prof Kees Smelink of the Ety Hillesum Centre, recently moved to Middelburg, donated us his book: "Ety Hillesum back home in Middelburg". The book was personally delivered by **Mr. Derk Blom**, who visited our library

Mr. Zwi Laufer, who moved to a smaller apartment gave us some books.

Mr. Joel Fishman, in the past member of our board donated some of his books and articles

Mrs. Chanina Tafelkruyer donated a book about her family

Mrs. Dorit Carmeli donated a book about the Publisher Querido

Rabbi Sebbag, rabbi in Amsterdam of the congregation AMOS and chaplain in the Dutch army (Krijgsrabbijn) provided us with a number of publications during his visit in our library and continues to send us from time to time new publications of the "Krijgsrabbijn"

Hannah van den Ende recently received her Ph. D. on her book “Jewish physicians in the Netherlands 1940-1945”. During her research she also used our library. She has sent us a copy of her book.

Mr. Jan Fontijn, author of the book: “Onrust: the life of Jacob Israel de Haan”, sent us a copy of his book

Rachel Boertjens, curator van de Rosenthaliana collection in the University of Amsterdam sent us a copy of the book: “The truth seeker, Henriette Boas: A life for the Jewish case”, written by **Pauline Micheels**, and donated by the **Henriette Boas Foundation**

We are always grateful when people send us a list in order to enable us to choose those items relevant to our collection. This prevents the acquisition of additional copies of books we already possess and for which we have no storage facilities

We hope to publish in the near future on our website a new comprehensive list of acquisitions (nr. 41). You can check in our online catalog whether your donated publications already appear. We deal with many publications and the list only shows what has been cataloged during the period mentioned and the donations are only a small part of all the material we have received and are not always of first priority and therefore the list is not complete. The online catalog, updated on a daily basis shows what has been recently cataloged and often you will find publications not mentioned in the list of acquisitions.

We thank all our generous donors for their contributions to the collection of our library
